Should law enforcement need to validate your status with our department, you must produce this entire notice of approval letter.

Our current card printing process has been delayed, so this letter is being issued as your notification of approval. Your card will be sent as soon as it is printed, but that may be several weeks. You do not need to contact our office regarding the status because receipt of this letter is your notification that your card will be printed at a later date. This is the only notice you will receive until your card arrives.
